DISPLAY SET UP

Step 1

Begin by removing all parts from the box and place on a clean, flat surface. Ensure you have all the components listed above.
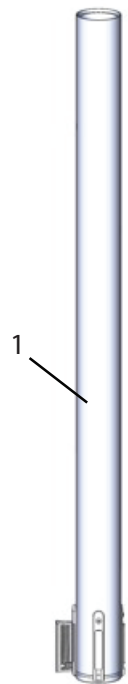

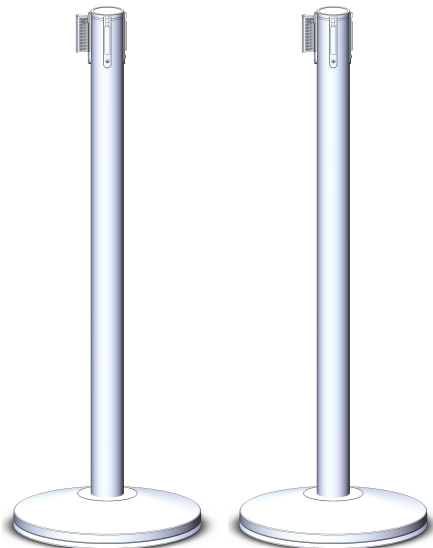

Step 2

To attach Weighted Base (2) and Base Cover (3) to Pole (1), turn the Pole (1) upside down for easier assembly. Use a 19mm Wrench (not included) to secure the Lock Washer (5) Washer (4) and the Bolt (6).

Note: Do Not over-tighten Bolt.

Fully assembeled Belt Barriers.

Pull out belt to connect to clip on another Belt Barrier.

Storage & Care

Store all product parts in a cool dry location. To clean non-graphic hardware, wipe with a damp cloth.
