

HARD TROLLEY CASE

BAGS AND CASES

PRODUCT CODE: #HTCG

20ft EZ Tube shown inside case.
(optional)

PRODUCT DESCRIPTION

The New Hard Trolley Case is an improved alternative to our standard Hard Case. This case still breaks down and forms the base and top of the podium but now a stretch fabric wrap forms the body of the podium. A pull handle and wheels are built into the casing to enable easy transport to and from each show. There is now more interior storage space - enough for a 10' Ready Pop, 10' RPL, and every size of our EZ Tube frames.
