

Product Parts

1 - Round Water Ballast

Display Set-Up

Step 1

Remove the ballast from the box and move it along with your cross base and assembled sail sign to your desired location.

Step 2

Extend the legs of your Cross Base outward, until they are flat on the ground.

*You may also use a Heavy Duty Cross Base.

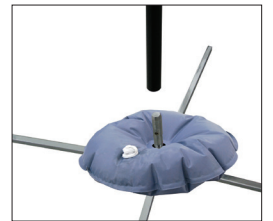

Step 3

Fill the Round Water Ballast (1) with ballast material and place over the Cross Base.

Step 4

Slip the pole of your sail sign over the pole on the Cross Base (1) to attach.

Step 5

Your Sail Sign is now ready to display.

Storage

Place the water ballast along with the sail sign into the Sail Sign's Carry Case and store in a cool, dry location.

Care

To clean, wipe with damp cloth.
