Product Parts

1 - Stand

Display Set-Up

Step 1

Begin by removing the Stand (1) from the Carry Case.

Step 2

Fully insert the Shock Cord Feet into the corresponding recessed holes and place on the floor. (The Feet will sit flat on the ground, while the Arms are angled with a covered top on the main pole.)

Top (Arms)

Repeat these steps for the Arms.

Step 3

Once set, your Bag Holder is ready for use.

Storage

Place stand into Carry Case and store in a cool, dry location.

Care

Clean with damp cloth and wipe dry.
