

# VIDEOMETRY \ VIDEO BROCHURE \

A 7-inch HD LCD screen helps tell your story as it captivates and engages audiences. The video brochure auto plays once opened and allows for a single or multiple video upload of up to 1GB. The side pocket with business card slot allows for additional collateral and a multi-sensory experience. With a one-piece minimum, Videometry is perfect for presentations, invites, PR, direct marketing, advertising and promotions. The state-of-the-art Videometry upgrades the old concept of “show and tell” to astonishingly new heights.
